MAIDEN GULLY MEDICAL PRACTICE

Appointments

Appointments can be made by calling 03 5441 0900 between 8:30am – 6pm Monday to Friday. Please make a separate appointment for each person that requires a consultation, even if you are seeing the same doctor. If you have several things to discuss or require more time with the doctor please ask for a long appointment. Emergency and Urgent appointments are given priority and appointments are available if you are ill or injured on the day. If you or a family member requires an interpreter service, we can organise this for you. Please make us aware when booking your appointment. For further information please see Interpreter Service section below. Our doctors offer telehealth services for patients who have been seen face-to-face, in the clinic, in the last 12 months. Appointments can also be made online with Auto Med Systems.

Arrangements for walk-in patients

Maiden Gully Medical Practice provides medical consultations via appointment; however, we also welcome walk-ins depending on doctor availability. Where possible, please call reception before visiting.

Fees and Billing Arrangements

We offer bulk billing to all children under the age of 16 years. Also, for patients who hold a valid Medicare Card with a:

- Pensioner Card
- Health Care Card
- Commonwealth Seniors Health Card
- DVA Card Holders

Please ensure that you have your cards on you and advise us of any changes. All other patients will be charged standard fees. Common fees are listed below along with the Medicare Rebate and what the out-of-pocket expense is. Our staff will offer to process your Medicare rebate at the time of payment so you will receive your rebate automatically into your nominated bank account. You will need to register your bank details directly with Medicare.

MAIDEN GULLY MEDICAL PRACTICE

Receiving Results

It is the policy of this practice to have all patients return for a consultation to discuss their results. Only under special circumstances and if this is organised by the doctor during your initial consultation can the doctor be contacted and give results.

Phone Calls (Receiving and Returning)

Should you wish to speak with your doctor you may leave a message with reception and your doctor will return your call when possible. If the call is regarding a medical condition, it may be more appropriate to make an appointment. If it is important and the doctor is unavailable, the nurse may be able to assist.

Management Of Your Health Information

Your medical record is a confidential document. It is the policy of this practice to always maintain the security of personal information and to ensure that this information is only available to an authorised member of staff. A copy of our privacy policy is available on request from reception.

Patient Rights

We recognise that patients have certain rights, and we will endeavour to support these rights. If you are unhappy with any aspect of the services, we provide or if you feel your rights are not supported, we would appreciate your comments. Further information regarding your rights is in our Patient Rights Policy which is available upon request.

Communication and Telephone Policy

Maiden Gully Medical Practice allow patients an opportunity to obtain advice or information related to their care by electronic means, but only where the general practitioner determines that a face-to-face consultation is unnecessary and that communication by electronic means is suitable. Maiden Gully Medical Practice will only provide information that is of a general, non-urgent nature and will initiate electronic communication (such as email appointment reminders) with patient consent. Any electronic communication received from patients is also used as a method to verify the contact details we have recorded on file are correct and up to date. Communication with patients via electronic means is conducted with appropriate regard to privacy. Before obtaining and documenting the patient's consent, patients are fully informed through the information contained in Maiden Gully Medical Practice New Patient Registration Form, stating the risks associated with electronic communication in that the information could be intercepted or read by someone other than the intended recipient.
